

# Work From Anywhere

Sharp and Appspace collaborate to enhance workplace experiences

A single secure platform to unite the physical and digital workplace. So easy to use and interact with, through workplace displays and personal devices, empowering people to work from anywhere.

The integration of Appspace into Sharp Displays offers a trusted, high quality workplace solution with seamless reliability and globally available supply and support.

## The benefits of MultiSync® Large Format Displays:

High quality manufacture for long life reliability, robust against the most demanding usage.

- Models for budget-conscious to mission-critical usage
- Sizes from 43 to 98 inch
- 4K UHD pixel-free viewing
- Landscape / portrait orientation
- NaviSet Administrator 2 remote management software
- Integrated computing: choose Intel®SDM, MPi4/5 Kit powered by RaspberryPi, or Android SoC
